# Who we are

Open-X SAGL is a new company based in Lugano (CH)

Founded by innovation experts with **more than 25 years of experience** in digital transformation and consulting

to support the growth of Swiss companies that want to bring their business into the digital age.

Our mission is:

**Shaping your business in the age of tomorrow**

# How we do it

Everything starts from **active listening**.

We sit side by side with you and listen to your needs, your pain points, your wishes.

The outcome is always an unique project,  
because **you are unique**.
